

Lake Township Offices Closed to Public

Please be advised that effective the end of business day today (Tuesday, March 17, 2020), public access to all Lake Township Offices, including the Administrative Office (12360 Market Avenue, Hartville), Road Department (1499 Midway Street, Uniontown) and the Uniontown Police Department (1635 Edison Street NW) will be temporarily suspended. These offices will remain open for business and our staff is here to respond to the needs of our residents; however, only scheduled deliveries, mail services and pre-scheduled meetings (scheduled as of today) will be permitted.

If you have township business to conduct for the Administrative, Zoning and Fiscal Departments, please call 330-877-9479; for any road related issues, please call the Road Department at 330-877-8359 and if you have any police department matters, and live within the Uniontown Police District, please call the Uniontown Police Department at 330-699-6444. If you have a zoning permit application that you need to drop off or road-related paperwork, please use the mail-slot located on the southwest door of the Administration Building. You can also email entire applications to info@laketwpstarkco.com or fax them to 330-877-4179. The Uniontown Police Department will have further information on their Facebook Page.

While we realize this may cause an inconvenience to some, we thank you for your understanding and patience as our community and our nation works through these unprecedented times. Together we can help protect the health and welfare of our families, friends, neighbors and loved ones throughout our community. We will continue to issue updates as situations change.
