

## ADVISORY

Please be advised that effective, Tuesday, May 12<sup>th</sup>, 2020, public access to certain township offices, including the Lake Township Road Department and the Uniontown Police Department, will be permitted. Pursuant to the current mandates and recommended best practices under the State's "**Responsible RestartOhio**" Plan, we will require that face coverings be worn at all times while visiting our facilities and that no one enter the facility that is COVID-19 symptomatic. As an alternative, you may continue to utilize our drop boxes/mail slots for conducting township business.

**Public access to the Lake Township Administrative Offices located at 12360 Market Avenue N., Hartville, will be delayed allowing more time for certain precautionary measures to be put in place.** The office will remain open for business and our staff is here to respond to the needs of our residents; however, only scheduled deliveries and mail services will be permitted. If you have township business to conduct for the Administrative, Zoning and Fiscal Departments, please call 330-877-9479. If you have a zoning permit application or paperwork that you need to drop off, please use the mail-slot located on the southwest door of the Administration Building. You can also email entire applications to [info@laketwpstarkco.com](mailto:info@laketwpstarkco.com) or fax them to 330-877-4179.
