Pursuant to Section 145.01 of the Ohio Revised Code and Ohio Administrative Code 145-1-26, Lake Township Trustees are executing a plan for Administrative Personnel for the conversion of sick leave & vacation leave to cash for leave that is accrued, but not used, during the calendar year, as defined as January 1 to December 31, as part of an annual conversion plan. These earnings are earnable salary on which employee and employer contributions shall be remitted to OPERS.

Leave shall be converted on a last in, first out (LIFO) basis. The leave to be considered earnable salary is the leave accrued to date in the current calendar year, less any leave used to date in the same calendar year. For retiring employees, conversion payment must occur according to the plan and either prior to or during the month of their termination date for this earnable salary to be included in the calculation of Final Average Salary.

The following payments made to employees shall not have retirement contributions withheld as the payments do not meet the definition of earnable salary for OPERS purposes:

- leave in excess of the annual amount of leave accrued January 1 to December 31 less leave used January 1 to time of payment

- leave earned in previous calendar years (*other than payments made in January for leave accrued but not used during the previous calendar year*)

- conversion of leave to employees separating employment
- conversion of leave to retiring employees outside the regular payment schedule

Employees receive conversion payments in December of each year for converted sick leave, vacation leave, and comp time. The maximum amount of leave employees can cash in per year is:

- Sick leave – 120 hours (receive a cash benefit equal to one hour at the base rate of pay for every two hours of unused sick leave)
- Vacation leave – 40 hours

Leave Accrual:

- Sick leave is accrued *per pay period for a total of 120 hours per year.*
- Vacation leave is issued in a lump sum Jan. 1st. Amount is *determined by years of service.*

This plan must be submitted to OPERS for approval by March 31 of each year, or prior to any conversion plan payments being made to employees.
